Dear Parents/ Guardian,

E-LEARNING DAY ON 11 MAY 2018 (MARKING DAY)

The school has planned an e-learning day for all students. E-learning day also prepares students for learning at home in the unlikely case of an unscheduled school closure. This will help to minimize the loss of curriculum time and keep students gainfully occupied at home. E-learning day will be carried out on 11 May 2018.

On e-learning day, students will access the teachers' lessons through the Student Learning Space (SLS) at <https://learning.moe.edu.sg>. Students can access the lesson resources for various subjects from **8am on 11 May 2018**. Please refer to **Annex A** for the list of subjects.

Students who do not have a working computer with internet access at home may report to the school's Computer Lab 1, which is available between 8.00am and 12.30pm.

To prepare your child/ ward for this exercise, we have advised your child/ ward to ensure that they are able to login to the SLS from home before the exercise. You may call the SLS helpdesk at 6702 6513 should you require any technical support.

Thank you and we appreciate your support for this exercise.

Yours sincerely,

Mr Yeo Wee Pung
HOD ICT and ACT

Mr Wee Tat Chuen
Principal
