

Dear Parents,

Greetings from Geylang Methodist School (Secondary) and a very warm welcome to you and your child to our GM family.

In view of safe management measures due to the current pandemic, your child is not required to report physically to school for S1 registration tomorrow. Instead, please e-register your child via the attached **FormSG by 23 December 2021, 12pm**. If you have already e-registered your child via the FormSG on our school website, you do not need to submit the form again.

To help you and your child prepare for the new school year, key information will be sent via Parents Gateway (PG). An orientation pack will also be given to your child when he/ she reports to school on 4 January 2022. Please take some time to go through the different sets of information, as there are forms via PG and in the orientation pack for parents to complete. We will inform you of the class that your child is assigned to in a separate PG post. Please take note that your child's class will only be confirmed by 14 January 2022 within the same House.

In this post, you can find the following information:

1. General Information 2022
2. A checklist of items to take note of

In addition, if your child is eligible to take subject(s) at a higher academic level, a separate offer letter will be sent via PG.

As this will be a new phase in your child's education journey, we have planned an orientation programme, including a 2-day non-residential camp, on the 6 and 7 January 2022 to help him/ her settle into GMS(S). Please look out for more details of the camp in a separate PG post.

Should you need assistance on the following matters, you may contact the relevant school personnel at 6746 6503 (General Office) :

Matters of Concern	School Personnel	Designation
Full Subject-Based Banding	Ms Wendy Wong	HOD Educational Support
Mother Tongue/ 3 rd Language	Mr Neo Ping Leng Ms Li Ping	HOD Mother Tongue Subject Head Mother Tongue
Special Needs / Learning and Behavioural Support (LBS)	Ms Menaga	Allied Educator (LBS)
